

A Y-INDIAN GUIDE PROJECT SINCE 1971

Y-INDIAN PROGRAM MEDALLIONS

A PART OF YOUR COSTUME NOW. . . A CHERISHED MEMENTO WHEN YOUR CHILD IS GROWN

Engraved with a personal message or a Y-Indian name and worn as a necklace with your Y-Indian costume, these beautiful solid bronze medals later become treasured keepsakes for the parent whose child has grown past the Y-Indian years - and they are even more treasured by the child later in life. Traditional with YMCAs and Y-Indian Groups everywhere, Y-Indian Medallions are used in induction or graduation ceremonies, as gifts, honors, awards and prizes.

FrontReverse side of a Y-Indian Guide Medallion in a Leather Pendant Kit

The parent-child theme of your Y-Indian program is displayed on the front of the medallion. On the reverse is the slogan "Pals Forever" or "Friends Always". In addition, there is a little parent-child allegory written in Indian sign language in the circle around the dancing Y-Indian child. Above that circle is the engraving surface for your names or personal message.

Medallions are available for Guides Princesses, Maidens, Braves, and Trailblazers, as well as a special Award & Gift medal designed for a much longer engraved message on the reverse. See all of these, the accessories shown below,
